Howland's Landing Annual Cleanup 2018

Memorial Day Weekend, May 26-28, 2018

Bring your hat and your gloves. Prepare to pick up a rake, shovel, broom, or clippers to help spiff up our Howland's Landing club facility.

We'll clear away any winter abuse, and prep everything for a great summer. This project is especially important each year to keep the place in good shape.

It's great fun to do projects, get to know some new people, and spend time with friends caring for a place we all love.

FREE hot dogs, soft drinks and beer available for all the helpers for lunch on Sunday.

Bring your own BBQ picnic goods for dinner ashore on Sunday. Please be sure to request your mooring reservation through the club by Wednesday noon, May 23.

Let us know you're coming by calling the office at (310) 831-1203 or by email to office@layc.org.

Schedule of Events

By Wednesday noon, May 23, make your mooring reservation request.

Saturday, May 26 - Boats arrive per your own schedule

Sunday, May 27

9:00 - Cove Clean-up: Weed whacking, debris removal, and general maintenance to make the cove beautiful again. Gloves are very helpful and a nice addition to all fashionable yard work.

13:00 – Lunch: Hotdogs and all the fixings, compliments of the Trujillo family.

Sunday evening

18:00 - Bring your boat-made entrée to the picnic tables. Tasting, drink paring, photos, fun galore.

Monday May 28 - Happy Memorial Day

Pancakes, waffles and fresh fruit will be provided by the Schroff and Marie families.
